Compliance with Leading Practices on Corporate Governance

FPH first adopted a Manual on Corporate Governance (the "Manual") last January 1, 2003. Pursuant to SEC Memorandum Circular No. 19 Series of 2016, a new Manual was adopted by the Company last year pursuant to the new Code of Corporate Governance.

FPH continues to abide by all governance regulatory requirements and best practices. In 2017, its directors and officers attended a Corporate Governance Seminar administered by the Institute of Corporate Directors.

Apart from the mandated Manual, FPH has also adopted a Corporate Code of Conduct. The Code embodies the principles and guidelines for the conduct of the business of the Company and in dealing with its stakeholders. Further, FPH, through its Board of Directors, annually reviews and updates, as necessary, the vision and mission of FPH. FPH also has in place policies and guidelines on whistleblowing, anti-corruption, related party transactions, conflicts of interest, as well as on trading and disclosure, among others.

FPH's current board composition serves to insure independent, impartial and fair discussions having three independents⁸, seven non-executive and four executive members. The board meetings are scheduled at the beginning of the year and are set for every first Thursday of the month. A separate meeting involving non-executive directors is scheduled at the beginning of the year. It had such a meeting on August 16, 2017. The Company conducts annual strategic sessions with management and members of the board. Last year it had its annual group-wide budget conference. The annual board retreat was also held on September 5, 2017 and October 5, 2017. Both provide an opportunity to go over strategies and the possibility of harmonizing common objectives. The Board Risk Oversight Committee also met twice last 2017 to review and assess the strategic risks facing the group.

The Company has used professional search firms or other external sources of candidates (such as consulting the director databases set up by the ICD) when searching for candidates to the board. Each director is furnished a director's kit, which contains, among other things, the relevant PSE Rules, Manual for Corporate Governance, Corporate Code of Conduct and Committee Charters. The Company also encourages directors/commissioners to attend on-going or continuous professional education programs.

Pursuant to the Manual for Corporate Governance, the Board has formed chartered standing committees: a Corporate Governance Committee, a Compensation and Remuneration Committee; an Audit Committee; a Finance and Investment Committee; and a Board Risk Oversight Committee.

FPH also has an Internal Audit Group ("IAG") composed of Certified Public Accountants (CPA) and Certified Internal Auditors (CIA), among others. The IAG reports to the Board through the Audit Committee. The IAG provides assurance and consulting functions for FPH and its subsidiaries in the areas of internal control, corporate governance and risk management. It conducts its internal audit activities in accordance with the International Standards for the Professional Practice of Internal Auditing (ISPPA) under the International Professional Practices Framework (IPPF). There are two board committees overseeing compliance requirements – the Audit Committee and the Board Risk Oversight Committee apart from the general oversight exercised by the Board and senior management.

It bears mention that the Audit and Board Risk Oversight Committees are chaired by independent directors. FPH will continue to have four (4) independent directors over and above the legal requirement for two (2) such directors. It has appointed a Lead Independent Director in the person of Chief Justice Artemio V. Panganiban. FPH has also appointed Mr. Renato A. Castillo as Chief Risk Officer in connection with the Board Risk Oversight Committee and the Risk Management Group's functions. Mr. Castillo is in charge of the FPH group's risk management concerns. A Compliance Officer with the rank of Senior Vice President, Mr. Victor Emmanuel B. Santos, Jr., has been appointed.

FPH has always sought to keep communications open with its stockholders and encourages them to participate in the meeting of shareholders either in person or by proxy. Shareholders are free to write to the Corporate Governance Committee should they have recommendations and/or nominations for board directorship. FPH undertakes specific activities to listen and learn from stakeholders regarding their requirements, needs and changing expectations. FPH takes the effort to meet its stakeholders, directly or through its affiliates, and communicates person-to-person with shareholders through one-on-one meetings, investors' conferences, annual stockholders' meetings, disclosures and press releases.

⁸ FPH previously had four (4) independent directors, before the untimely demise of Mr. Washington Z. Sycip.

The company continues to look at opportunities to make improvements in terms of governance.

FPH likewise implements corporate excellence initiatives both at the parent and subsidiary levels such as the Lopez Achievement Awards (LAA) and the Unsung Hero Awards. The LAA aims to recognize and reward outstanding team or individual achievements that are exemplary in nature, contribute to business objectives and exemplify the Lopez Values. FPH had the inaugural issue of its Corporate Sustainability Report last year. Last November 2017, it was recognized by the Exchange with the Bell Award for Excellence in Corporate Governance with respect to having the Best Sustainability Program.

Corporate Social Responsibility (CSR)

FPH remains committed to lending its strengths and expertise towards the causes of education, disaster recovery, poverty alleviation, and environmental responsibility. It recognizes that its businesses flourish when the communities where it operates flourish as well. This year, it also heeded the call to include climate change education and interventions in its initiatives, as the effects of climate change will also be felt in its operations and by its host communities. Climate change is an issue that affects everyone, and FPH is now also lending its strengths and expertise towards climate change education and mitigation.
