Compliance with Leading Practices on Corporate Governance

FPH adopted its Manual on Corporate Governance (the "Manual") on January 1, 2003. Its most recent iteration was just last July 31, 2014 when the Company filed an amended Manual enhancing and clarifying its provisions. As part of its governance initiatives, FPH continues to participate in the programs of the Institute of Corporate Directors ("ICD"), supports the Good Governance Advocates and Practitioners of the Philippines ("GGAPP") and is a member of the Philippine Association of Publicly-Listed Companies.

FPH continues to abide by all governance regulatory requirements. Last 2016, its directors and officers attended the SGV Corporate Governance Seminar as mandated by the SEC. It uploaded to its website the 2015 Consolidated Changes in the ACGR last January 10, 2016 and further governance details may be found there. FPH strives to meet the standards in the ASEAN Corporate Governance Scorecard and consolidated its responses thereto in its website in 2015.

FPH has submitted to the Philippine Stock Exchange (PSE) its responses to the Disclosure Template on Corporate Governance Guidelines for Listed Companies. It has sent representative(s) to Corporate Governance Roundtable Discussion with PLCs' Compliance Officers, Securities and Exchange Commission, Pasig City (2015), the Philippine Stock Exchange's Disclosure Seminar, and the ACGS Workshop for Publicly Listed Companies (2015 and 2016).

Apart from the mandated Manual, FPH has also adopted a Corporate Code of Conduct. The Code embodies the principles and guidelines for the conduct of the business of the Company and in dealing with its stakeholders. Further, FPH, through its Board of Directors, annually reviews and updates, as necessary, the vision and mission of FPH. The latest amended vision and mission was disseminated in the 2013 Annual Report and will be part of future reports. FPH also has in place a Whistleblower Policy and Guidelines, an Anti-Corruption Statement and Trading and Disclosure Guidelines

FPH's current board composition serves to insure independent, impartial and fair discussions having five independents,⁸ five non-executive and five executive members. The board meetings are scheduled at the beginning of the year and are set for every first Thursday of the month. A separate meeting involving non-executive directors is to be scheduled at the beginning of the year. It had such a meeting last 2015. The Company conducts annual strategic sessions with management and members of the board. Last year, a Strategies and Synergies Planning Conference was held on July 27 to 28, 2015. The last annual board retreat was also held on October 1, 2015 and November 5, 2015. Both provide an opportunity to go over strategies and the possibility of harmonizing common objectives.

The Company uses professional search firms or other external sources of candidates (such as director databases set up by the ICD) when searching for candidates to the board. Each director is furnished a director's kit, which contains, among other things, the relevant PSE Rules, Manual for Corporate Governance, Code of Conduct and Committee Charters. The Company also encourages directors/commissioners to attend on-going or continuous professional education programmes.

⁸ One of them, Ambassador Cesar B. Bautista, has passed away.

Pursuant to the Manual on Corporate Governance, the Board has formed chartered standing committees: a Nomination, Election and Governance Committee, a Compensation and Remuneration Committee; an Audit Committee; a Finance and Investment Committee; and a Risk Management Committee.

FPH also has an Internal Audit Group (“IAG”) composed of Certified Public Accountants (CPA), Certified Internal Auditors (CIA), Certified Information Systems Auditor (CISA), among others. The IAG reports to the Board through the Audit Committee. The IAG provides assurance and consulting functions for FPH and its subsidiaries in the areas of internal control, corporate governance and risk management. It conducts its internal audit activities in accordance with the International Standards for the Professional Practice of Internal Auditing (ISPPA) under the International Professional Practices Framework (IPPF). There are two board committees looking into compliance requirements – the Audit Committee and the Risk Management Committee.

It bears mention that the both audit and risk management committees are chaired by independent directors. FPH continues to have five (5) independent directors over and above the legal requirement for two (2) such directors. The Chairman of the Compensation and Remuneration Committee is effectively an independent director by virtue of his not having been employed by the Company in an executive capacity within the last five (5) years and is not a beneficial owner of more than ten percent (10%) of any class of the Company’s equity, among other things, pursuant to the qualifications for independent director provided by the Securities and Exchange Commission and the Company’s Manual for Corporate Governance. FPH has appointed Mr. Renato A. Castillo as Risk Management Officer in connection with the Risk Management Committee’s functions. Mr. Castillo is in charge of the FPH group’s risk management concerns.

FPH has always sought to keep communications open with its stockholders and encourages them to participate in the meeting of shareholders either in person or by proxy. Shareholders are free to write to the Nomination Committee should they have recommendations and/or nominations for board directorship. FPH undertakes specific activities to listen and learn from stakeholders regarding their requirements, needs and changing expectations. FPH takes the effort to meet its stakeholders and communicates person-to-person with shareholders through one-on-one meetings, investors’ conferences, annual stockholders’ meetings, disclosures and press releases.

The company continues to look at making improvements in terms of governance. It has already put in place mechanisms to implement a recommendation of the Audit Committee that henceforth, the fines imposed by the Philippine Stock Exchange for violation of the trading black-out rule will be shouldered personally by the officer or director concerned. This highlights how the Company would like compliance with requirements to be honored and enforced.

FPH likewise implements corporate excellence initiatives both at the parent and subsidiary levels such as the Lopez Achievement Awards (LAA). Last year, it had the inaugural run of its Unsung Hero Awards as part of the LAA. The LAA aims to recognize and reward outstanding team or individual achievements that are exemplary in nature, contribute to business objectives and exemplify the Lopez Values.

Corporate Social Responsibility (CSR)

FPH remains committed to lending our strength and expertise toward the causes of education, safety, and disaster recovery; poverty alleviation and culture; and environmental responsibility, recognizing that our businesses flourish best when the communities in which we operate flourish.
